Welcome to BCA as our new Awards Sponsor

BCA Accountants and Corporate Financiers, have joined us in helping to host the 2019 Heropreneurs Awards by sponsoring the drinks reception this year. Founder of the professional services and accountancy firm, Simon Banks-Cooper is not only a familiar face to many veterans, he is also actively involved with the charity. The firm provides financial management advice to a number of those businesses on the Heropreneurs Mentor Programme.

Chairman of Heropreneurs, Peter Mountford, said, 'We are delighted that BCA have sponsored the drinks reception for the shortlisted awards entrants for the 2019 Heropreneurs Awards. Founder and Senior Partner, Simon Banks-Cooper himself is a veteran as a former Infantry Officer, latterly a reservist and now an Honorary Colonel. Like so many of our sponsors, this experience alongside his time spent on numerous professional standards and development boards is invaluable in supporting our mentees in their own business ventures.'
